

OHIO TOWNSHIP ASSOCIATION VIDEO AND BROCHURE ORDER FORM

The Ohio Township Association (OTA) is devoted to educating the general public about township government and its role in Ohio communities. In order to do so, we have created a 15-minute video titled "Township Government in Ohio: Our Grassroots of Democracy." The video highlights the duties and responsibilities of township officials and educates the viewer about the history of township government in Ohio. The video and supplemental materials, including brochures describing the current responsibilities of townships, are well suited for classroom presentations, county fair booths, open houses and county meetings.

Along with the video, you will receive the following:

- A guide to help you prepare a presentation;
- The text of the video;
- A list of key terms and definitions;
- A 13-question worksheet, accompanied by key, for students/viewers to complete while viewing video;
- A township government word search; and
- Township history and functions brochures.

You may receive 100 free brochures *only* when ordering video. If only ordering brochures, you must pay \$.15 per copy.
