## TRAINING ANNOUNCEMENT

**COURSE TITLE:** Sports and Special Events Incident Management

**DATE:** May 1<sup>st</sup> - 2<sup>nd</sup>, 2012

**LOCATION:** The Kentucky Bank Center at Northern Kentucky University  
500 Nunn Drive  
Highland Heights, KY

**TIME:** 8:00 AM - 5:00 PM

**COURSE DESCRIPTION:**

This 16-hour course develops athletic department staffs, facility management personnel, campus public safety personnel, emergency response supervisors, and others involved in sports and special event management to better prepare for, manage, and recover from incidents that could occur during a sporting event or other special event. The course provides participants the skills necessary to effectively identify risk and mitigation strategies; manage incidents by applying and implementing incident management planning and resource management principles through a multi-disciplinary management team approach as described in the National Incident Management System (NIMS); and identify techniques that can improve the resiliency of the event venue. The course has specific emphasis on the unique aspects of response to an incident occurring during a sports and special event, including considerations for business continuity and after action activities. The course concludes with a practical application, role-play exercise that is customized to the area in which the course is delivered.

**PARTICIPANT CRITERIA:**

To reinforce the multi-discipline team approach, the target audience for this course will include stakeholders from athletic departments; operators of large arenas/venues; and representatives from campus public safety, emergency management, campus administration, campus environmental health and safety, public works, and student life/affairs. The audience also includes stakeholders from communities that host, surround, or neighbor venues for sports and special events. These include fire services; emergency medical services; law enforcement at the local, state, tribal, and federal levels; non-governmental organizations; local elected officials; public health; public works; and other local, state, and federal agency representatives that would be involved in the planning and management of a sports and special event or large venue, as well as representatives from local and regional media services.

**PERQUISITE:**

In order to be prepared for this advanced level course all attendees must complete the National Incident Management System/incident command system training, *ICS for Single*

*Resources and Initial Action Incidents (IS-200.b)*, or equivalent basic incident command system training prior to attending this course. Attendees are also encouraged, but not required, to have completed *Sport Event Risk Management (AWR-167)* or equivalent training/experience.

**SPONSORSHIP:** This Course is sponsored by the Campbell County Office of Emergency Management and the Kentucky Office of Homeland Security. Delivered by the National Emergency Response and Rescue Training Center (NERRTC) at the Texas Engineering Extension Service (TEEX), Texas A&M University System.

**INSTRUCTIONS:**

- 1) Course enrollment maximum is 40 participants.
- 2) There are no course fees.
3. This training is not open to the public.
- 3) **Pre-registration is required, please return application by Aril 30<sup>th</sup>, 2012.**
