

Dear Township Officials:

As mentioned in my alert dated 4/28/2011, the House Finance Committee accepted a substitute version of HB 153 last Thursday afternoon. I provided a list of items last Thursday but wanted to provide you with the extensive list of items today. **Please find attached the list of items in Sub. HB 153 as accepted by the House Committee last Thursday.**

You may view the bill in its entirety at http://www.legislature.state.oh.us/BillText129/129_HB_153_PHC_Y.pdf. **Please also find attached the comparison document between the As Introduced version and the House Substitute version.**

Please note that the Committee is expected to accept an omnibus amendment tomorrow with additional changes and then immediately vote the bill out. Following the acceptance of the amendment, we will try and provide you any additional changes impacting townships.

The bill is expected to be on the House floor later this week.

Finally, the Ota did testify on the bill on Friday afternoon. **Please find attached our testimony from Friday.**

Should you have any questions or concerns regarding the items in the budget, please do not hesitate to contact me. Expect an e-mail from me late tomorrow or first thing Wednesday.

Sincerely,
