

Additional Minutes October 2007

Guest Barb Morris was present and inquired of candidate for Hartford Township Trustee Johnnie Terry what changes he thought needed to take place should he be elected. Mr. Terry responded that as he didn't know the inside running of the township he didn't know. Mr. Terry was then asked what his goals were for the township; he responded with "he didn't think this was the place to discuss these kinds of questions and he would get back with Mrs. Morris."
