

May 11, 2008

Dear Friends,

On behalf of the Hartford Alumni, I would like to extend an invitation to the Annual Banquet, held on June 7, 2008 at the Hartford School Gymnasium. Please click [here](#) for a printable reservation form. The invitations are due back on May 27th. Thanks to Barb (Van Fossen) McDavid for keeping up with the scheduling.

Also available will be a DVD "In Memory of HHS". Click [here](#) for an order form. Thanks to Dorotha (Van Fossen) Stansbury for her research and work on this project.

This will most likely be the final year for a local school in the community. Due to building deterioration, the school board has decided to close Hartford School. Starting this fall all students from Hartford will attend school at the Northridge location or in Alexandria.

Please join us for an evening of remembering.

Mike Ullom
